

Iron Chef Scout Camp 2018

Ernest Poole Scout Camp

October 19th-21st, 2018

Hosted by: 1st Blueberry Venturers

Originally started in 2012 for Western Trails Area Groups, Iron Chef Camp is a challenge and competition camp for Scouts and run by Venturers and Advisors. It is meant to teach youth options for cooking outdoors at your own camps as well as develop or show-off your experience while competing against other Troops.

Saturday activities are planned in a manner where you rotate in mixed patrols, participating in various activities to help develop your existing skills or provide you with a learning experience that you can take back with you for your future camps. For Saturday supper, you go back to your own Troop and compete against other groups in a classic "Iron Chef" setting where you will prepare a meal of your Troops choice. As you near completion, you will be given a secret ingredient that you must incorporate into your meal. At a specific time, you will present your dish to the panel of judges for voting.

This camp is run in various weeks in October, so weather can vary. A gear list is attached for your reference. Camp location is Imrie Park near Onoway, so our registration numbers are limited to 80 participants. Troops should be prepared for Leave-No-Trace camping and cooking outside in self-sufficient camps.

There is a Camp Badge Design Contest, so get your creative juices flowing and send us some ideas; the form is attached below. Camp Awards will include: Camp Safety, Iron Chef and Camp Overall winners.

All Troop Scouters must bring copies of all required Scouts Canada paperwork (ie. COAA, Physical Fitness forms, etc.). The Camp Chief will post a Camp Risk Assessment and Emergency Plan at the picnic shelter.

Please send any inquiries to Brenda at:

- a) Email: DoroshukConst@xplornet.com
- b) Phone: 780-968-1947
- c) Phone or Text: 780-818-4929

Registration and Payment are due by Friday, October 12, 2018
